Subject Discovery Request

Hi Barry,

I'm assisting AWP respond to a discovery request from Jeff Lewis. Requested items is as follows:

1. Printed and unredacted copies of all emails, memos, letters and other correspondence between and among Jason Ralph, Patricia hardy, Barry Davis, Dick Fossier, Gwen Marshall, Andrew Robinson, Dr Goodman, Dr. Griswold and Frank Ferrera, related to Appellant, from 1/1/2007 through 8/30/2007. These documents should help correct for Jason Ralph and other Agency officials' having kept no records, as indicated by their failure to provide records under FOIA.

2. Printed and unredacted copies of all emails, memos, letters and other correspondence between and among Jason Ralph, Andy Richards, Barry Davis, Roslyn Marable, Tim Kubik and Mark Deplasco, related to Appellant, from 8/1/2007 through 10/31/2008.

I understand this employee has also submitted a FOIA request for similar information. Let me know if you have anything on the items above.

Thanks,

L

History: This message has been replied to.

Linda,

Good talking to you. Mr. Flor Ramos has been the Investigations Branch Manager since 2/2008 and will have access to all of Mr. Lewis' archival investigation records, both hard copy and electronic.

I read the Discovery Request and although I am not named on the document, per our discussion, I do have 15-emails related to the Lewis Investigation and follow up.

If you need anything else related to this investigation, may I recommend contacting Mr. Ramos, x3726.

Thanks
