Glen,

Jeff and I are discussing his grievance as well as other issues between him and the FAA. He has a copy of the audit you discuss in the email below. It may be easiest if I can get a copy of the audit you sent Jeff from you rather than from Jeff. I am not sure if that audit includes payments for doctor visits or any of the other issues addressed in Jeff's grievance. If not, is there a way to get that information as well?

I also understand that he sent an email to you and Susan Slaughter concerning some other issues. Because of Jeff's limited email access can you forward a copy to me so I can help Jeff discuss this situation?

Thanks for the help.

Best,
Kevin

Jeff,

After you receive the records I have sent you make sure you contact your representative, Kevin Sills, with any errors you may find. This is the subject for the arbitration and he will need the information in order to attempt correction.
