Jeff,

I was out of the office in Tampa and received your messages when I got back. Glen Rotella is not longer with the Agency but is still coordinating your issues with Dan Castellon. I am trying to solve the issue and will keep you updated.

Kevin,

What is the status on the settlement and/or arbitration we were actively discussing three weeks ago, just before Glen Rotella left FAA? I have left you numerous phone messages and have received no replies...am reasonably concerned that it appears NATCA is failing to address my settlement/arbitration issue.

Please advise with an email ASAP.

Thanks. Jeff Lewis

Jeff and Glen,

Just to clarify a couple of things. First, the spreadsheet Jeff provided is all-encompassing. As such, this settlement would not include any time after his removal. Second, as Jeff indicates below, the three page pdf has information related to three appointments. The M&IE information for the second and third visits are attached to the last page. For those visits, the FAA made the medical payments. For the first visit, there hasn't been any reimbursement.

Are you free to talk either today or tomorrow? I am free all of tomorrow and available today with the exception of between 10:30 and 11:30 my time and 1:00 and 2:30 my time.

Thanks
Kevin
