Jeff,

I do NOT need anything other than what I asked for!! Please just get me that information in my email below! Once again, my deadline to you, as described below is Monday afternoon at 4:55 PM PST!! Therefore, PLEASE stop looking for anything other than what I asked for and get me the EXACT information I asked for below!! Once again, you have until tomorrow afternoon at 4:55 PM. At that date and time, I WILL be withdrawing your grievance!!

If you cannot meet the deadline as described above and in my email below of last Friday WITHOUT LOOKING FOR INFO THAT I DID NOT ASK FOR, please let me know and I will attempt to grant you an extension!!

Mike:

I will index ref your questions. Have been working on it all weekend and am obviously not making my goal of last night. As you can imagine, it is a huge job, just trying to sort through so many documents and get them cleanly presented. It is coming along well though. I have to go through the stack one more time and run a few larger PDF files tonight. Will definitely be sending tomorrow.

I am also finding more documentation to show the recklessness and flat-out lies by Goodman.

No time to incorporate the three Foia responses received yesterday.... (not even trying)

Jeff

Feel free to index them to my questions. I just need the documentation sooner rather than later.

Mike,

I notice that your questions closely follow the Facts chronology as presented in my original grievance filing. I have already roughed out the documents and notes to respond to your questions, but I can maybe provide you with a more effective response if you advise: do you want these records indexed to your list of questions, or to the actual text from the actual grievance? In either case, I anticipate inserting footnotes into the document you prefer, and then cite all dates/documents in the footnotes. I also intend to compile all these cited exhibits chronologically, in a few PDF files.

So, again, would it work better for you to have these exhibits indexed to your 20-question list, or to the actual grievance that Agency and any adjudicating authority will be reading? Please call when you can with a quick 1-minute answer...

Thanks. jeff
