Hi Jeff,

Thank you for this information. Unfortunately, I am no longer available to be involved in your case based on the date(s) that the Arbitrator was available. Therefore, Ham and I have found two (2) extremely capable and wonderful case advocates that we are quite sure you will be extremely happy with. The first seat on your case is an Air Traffic Controller out of Miami and has done many 3rd level grievance reviews as well as PARs out of the Southern Region. Additionally, he has done many Arbitrations himself and is a very seasoned Arbitration Advocate. His name is Jay Barrett and is cc'd on this email. Lastly brother, not only is Jay an air traffic controller, but also is an attorney himself and is a current member of the Florida Bar.

Of course, you are familiar with Mark Wilson a wonderful and great attorney out of our National office who will take the roll as the second seat in your Arbitration Hearing.

In all future correspondence brother, please ensure that you send it to them with a cc to Ham and I!!

Please let us know if you have any questions regarding this email.

Thank you Jeff. Ham and I greatly appreciate your understanding.

KJ
