Hi Mark.

Please let me know...what is on the burner for my grievance arbitration? (AWP, NC-08-79364)

I have sent you a couple emails, and Mike Hull keeps telling me to keep in touch with you, but I hear nothing back. I expect you are very busy, but the courtesy of a short reply would sure help.

Thanks. Jeff

PS: I now have a cellphone (this has been a problem here at my rural home...lousy coverage) that appears to be working better. Should you need to talk instead of emailing a quick reply, my number is [971-295-7669](tel:971-295-7669).

...Jay/Mike: on the assumption Mark is insanely busy, please reply with any info you may have...
