Mark:

Just returned from a trip and see that we may have a date set for 2/16 and 2/17. That works fine with me.

Can you call soon and advise a few details:

1) in view of the extant evidence, is NATCA pressing Agency to settle with a package that fully makes me whole? If not, why not?

2) if Lindauer is chosen, and if his practice is based in Oregon (my home state), is there a possibility the arbitration can be held in Portland?

3) Wherever the arbitration is to be held, who are the key witnesses we will be involving in this process? Rotella? Fossier? Marable? Castrellon? Mark Deplasco? Andy Richards? Jason Ralph? Monique France? Kathryn Vernon? Dave Adams? ...or whom else??

Mr. Wilson:

Thank you for your email. Mr. Lindauer has a conflict on February 15. He remains available February 13-14 or 16-17. Will either of these choices work for the parties?

Thank you.

Sarah:

The parties would like to accept February 15-16 for hearing the Jeff Lewis case. It will be in the Oakland area and the parties will get back to you about an exact time and place, and any other pre-hearing matters. If Arbitrator Lindauer has any type of pre-hearing procedures he follows, please let us know.

Thanks,

Mark Wilson
