You are more than welcome to call earlier, if that works better there. Just give me a time and I will ensure the phone is where we can talk. Also, if by chance you call and do not get through (cell antenna may not be receiving; intermittent) a quick email will work, or leave me a number to call you.

I apologize for not getting to you today. Our strategy discussions took place late today.

It is our intent to contact you for discussion of your case tomorrow morning. If you have a preferable time, please advise. If not we will contact you at approximately 8:00 am PCT.

Thank you

Jay

Will get back to you this afternoon. Discussions are ongoing. Please keep in mind that we will consult with you on a settlement, but this grievance belongs to the Union and it will decide on how best to move with it.
