**Subject: Update requested**

To: Jay Barrett <rkmedez@gmail.com>, Mark Wilson <mwilson@natcad.org>

Please advise the status on next week's arbitration. It was indicated when we last talked that we would be talking more this week, but I have heard nothing further from NATCA.

Please also advise:

1. who is scheduled or possible for witnesses?
2. can/will NATCA request any records from Agency?
3. what can I do to help ensure we are ready?

Thanks, Jeff
