Mark,

It would seem the 3rd week of February would be agreeable to both parties at this point. However, before we agree upon a specific date of that week or agree that multiple days will be necessary during this week, please provide me what you believe the issue of this Grievance should be. I am asking this based upon believing this grievance is a matter of remedy which should not require multiple days. Based upon the economic environment it is necessary for the agency to effectively manage our budget. As such, I must be sure multiple days are required.

Let me know asap so that we may select a date or dates during the week of February 13th.

Thank you,

Yes, the week of February 13 is good. My suggestion is that we select Feb 15 & 16 (Wed/Thurs).

Can we nail that down ASAP?

Hi Mark,

F12-7293WP  
Rcvd 11/21/12

It appears Arbitrator Lindauer will be available to conduct the hearing during the 3rd week of February

This time period appears to be okay with the Agency, however, will this time period be okay with you?  
Please let me know so that we may proceed.

Good afternoon Sara,

I am the advocate that is assigned to represent the Agency for an arbitration regarding a grievance that was filed by a FAA former employee, Mr. Jeffrey Lewis. Although some dates were previously provided those dates were could not work due to witness availability issues. As such, are there any dates during the month of February that Mr. Lindauer would be available?

As a courtesy to the Union, I have included Mr. Mark Wilson, the Union's representative in this e-mail. I look forward to your response and if you have any questions or concerns regarding this particular subject matter, please contact me at the office number provided.
