Bobby

I am working today and the weather is lousy so we are spending a lot of time on position. What would be a good time for us to call you? I get off at 11:00am PST.

Will you be able to provide us with the T&A data?

Thank you

Jay

Good afternoon Jay,

As stated during our conversation on Friday, February 3, 2012, I am forwarding you the attached formal notice regarding Management decision to unilaterally implement what we believe to be the appropriate remedy for the grievance that is scheduled for hearing on February 16, 2012, before Arbitrator Lindauer. I have also included Arbitrator Lindauer in this e-mail so that he may be aware of Management's unilateral decision.

If you have any questions regarding this particular subject matter, please contact me at the office number provided below.
