Good afternoon all,

The Union and I have recently agreed to specific terms and conditions outlined in a settlement agreement that resolved a grievance filed by former ATCS, Mr. Jeffrey Lewis in 2008. This settlement results in the cancellation of the arbitration hearing that was scheduled to take place Thursday, February 16, 2012, and Friday, February 17, 2012, at the CMO in Daly City

That being said, I would like to take this opportunity to thank all of you for your assistance and support in this matter. Your assistance and support provided me the ability to effectively prepare for this hearing. This also proved to be the extra leverage needed in order to settle this case appropriately and well within reason.

If you have any questions or concerns regarding this particular subject matter please call me at the office.

Thank you,

Bobby Rodriguez
