Dan:

We need to get moving on selecting an arbitrator and picking a date. Kevin and I had agreed to use the person we struck last (before the other two, who couldn't handle the case). That would be Lindauer.

I don't know that the new advocate needs to confirm that, you can do it. We need to get in touch with Lindauer and get moving on selecting dates.

Please contact me so we can get this moving. If you haven't already done so, please designate an advocate to get this rolling. It's not fair to the grievant to continue waiting for someone to select an FAA advocate.

If we can't get this accomplished promptly, I will seek the intervention of the arbitrator to move the process along.

Thanks
